**PeerPoint Announces it is Now an Accredited Provider for ANCC;
Able to confer ANCC/CNE Credit to Nurses**

Evanston, Ill -- PeerPoint Medical Education Institute announces it has been recognized by the American Nurses Credentialing Center and has received accreditation from the organization enabling it to create programs that give ANCC/CNE credit to nurses.

Rick Kennison, general manager of the ACCME accredited PeerPoint is enthusiastic about the new credentialing as it further indicates PeerPoint is part of a class of mature, full-service providers that can address and meet multidisciplinary educational needs. Furthermore he believes that improving coordination of care among multidiscipline teams is the best way to improve overall quality of healthcare.

“PeerPoint, like ANCC, is committed to the QI initiative and this accreditation from them is another way we can bring best-practices to our long term goal of improving patient outcomes,” he says. “We are looking forward to a great working relationship.”

About PeerPoint

Headquartered in Evanston, Ill., the PeerPoint Medical Education Institute, LLC, is an ACCME-accredited provider of continuing medical education to physicians and an independent, fire-walled subsidiary of MedPoint Communications, Inc., a pioneer and worldwide leader in medical webconferencing. PeerPoint also develops certified educational programs for nurses, pharmacists, dietitians, and other healthcare professionals through its solid partnerships with many accredited, professional organizations and with the support of leaders in the biopharmaceutical industry.

About ANCC

The American Nurses Credentialing Center's (ANCC) internationally renowned credentialing programs certify nurses in specialty practice areas, recognize healthcare organizations for nursing excellence through the Magnet Recognition Program®, and accredit providers of continuing nursing education. In addition, ANCC offers an array of informational and educational services and products to support its core credentialing programs.

For more than 30 years, ANCC's Accreditation Program has contributed to healthcare quality and improvement by defining standards for high performance in continuing nursing education and measuring adherence to those standards. ANCC is passionate about helping nurses on their journey to nursing excellence.

The American Nurses Credentialing Center (ANCC) is a subsidiary of the American Nurses Association (ANA).
